Marie, you will be provided a report each week showing status for ALL FOIAs. As for this one and in answer to your question, we have completed a draft denial log. It is being QA/QC'd (reviewed) by the contractor. 400+ documents on the denial log. It'll go to Ed Q for attorney review and other concurrences as appropriate. Hopefully it should be out soon.

Ida, what does waiting for QA/QC to denial log. Can you tell us what the status is of the update for 5/14/09? Is there something we need to do?

Thank you for your help Ida
